

on the inside of the ear. My veterinarian of over 30 years told me there are two basic thoughts on ear cleaning. The first is never get the inside of the ear wet, and the other is to wash the inside. He believes in washing the inside of the dog's ear, so that is what I do. My vet's belief is that a clean ear is a healthy ear. Again, if you have ANY questions consult your -1-2760(.)-00(of)0-1.2TDOtpr32eahpr32eaTcspr32eahea258
